

How Do I Get Published?

About the Presenter

“By taking an audience’s interests and connecting them to a text, a person can save the lost reader,” says Kelly Ann Butterbaugh as she talks about her new book, *Hey, History Isn’t Boring Anymore!*

After writing articles for more than sixteen different publications, teacher Kelly Ann Butterbaugh published her first book with White Mane Publishing in June 2008. *Hey, History Isn’t Boring Anymore!* has fun with history and teaches a different way of looking at non-fiction texts. Now, the author brings her experiences of book authorship, freelance writing, collegiate instruction, and public school teaching to her audiences.

Kelly holds a current PA teaching certificate and teaches in the Salisbury Township School District as well as at Lehigh Carbon Community College. She has her BA in English from Moravian College and her MED. in

- *A relaxed presentation, this workshop encourages those involved to ask questions and bring writing samples for evaluation.
- *Participants will leave with checklists of what to avoid and what to do in order to publish their writings.
- *Learn what’s really involved in publishing your writing.
- *This hands-on workshop encourages revision of previous writings or creation of a new piece during the time allotted.

“I love to write, now where do I start if I want to be published?”

“How can I polish my writing skills before approaching an editor?”

“What’s involved in being a published author?”

Have you ever uttered these words? Getting your work published is a business and often authors are overlooked because of reasons besides their writing abilities. Learn about the business of publication and walk away with a solid plan of action to have your work published.

Author and teacher Kelly Ann Butterbaugh uses her experience in the publishing world to help other writers find success with their writing.
